List of Polling Station Locations

## ANNEXURE 5

## CERTIFICATE TO BE FURNISHED ALONG WITH LIST OF POLLING STATIONS

- i. That the draft list was duly published, objections and suggestions were invited, and discussed with the party Representatives and legislators on the lines indicated in the Commission's directions;
- ii. That all the polling areas within the constituency have been covered in the list;
- iii. That no building, public or private, which is a temple, church, mosque, Gurudwara or has any religious significance or in respect of which any section of the public may have any legitimate objection, has been proposed as a polling station;
- iv. That no police station, hospital or dispensary is proposed as a polling station;
- v. That separate polling stations have been set up in areas, electors of which are predominantly SC/ST and other weaker sections of the society and that no such area has been either left out or linked with areas where electors predominantly belong to forward communities.
- vi. Where the usual limit of 1500 voters per polling station or the limit of two Kilometers beyond which a voter should not ordinarily be required to walk has not been maintained, no better arrangement is practicable;
- vii. That no private building in the list of polling stations belongs to any political party or is known to belong to any prominent or active member of any of the political parties; and
- viii. In cases where private buildings have been selected as polling stations, the written consent of the owner for the purpose has been obtained.
